

## Tips

- Pay attention to detail.
- Dazzle USB sucker-punch
- Over/Under cables
- Use Gaff tape, **NOT SCOTCH.**
- Loss of sound and the stream dies.
- No camera feed? Check cables.
- No video stream? Check Flash.
- Turn off auto power.
- When using manual lighting, change shutter speed and F-stop, not DB.
- If praise music sounds bad, get a soundboard.
- Organize, organize, organize
